

VALENTINE'S DAY

FEBRUARY 14, 2023

PASSION IS THE FUEL,
THE SPARK, THE FLAME

*You are my heart, my delight, my truth
In your embrace, I learned to LOVE*

An invitation from

JOALI BEING

This Valentine's Day, embark on a soul-journey with your favourite person in the world.

As you nurture and strengthen your remarkable bond, discover the Joy of Weightlessness—a luminous feeling of freedom and lightness at the heart of JOALI BEING.

Heart of Wellbeing

Share transformative wellbeing experiences in the serene seclusion of your selected Couple's Suite. The Ocean Sala comes with a private sauna and shimmering water views, while Immortal features a private Jacuzzi and lush green views.

This journey includes your choice of 90-minute treatment – Four Pillars Massage, Skin Therapy, Energy Therapy or Microbiome Therapy, along with healthy drinks and a box of petit fours for two. Enjoy 30 minutes of relaxation time in the Couple's Suite before and after your treatment.

Heart of the Ocean

On this special day, we invite couples to join the JOALI Reef Restoration Programme. Together, we will plant species of coral that are both beautiful and resilient – just like your love. A heart-shaped setting embodies the whimsical joy of Valentine's Day.

Parasail into Sunset

Jewel skies provide a magical backdrop for this exhilarating adventure with your beloved. As you soar above the sparkling waves together, being on cloud nine takes on a whole new meaning.

Gastronomy of Love

Embark together on a delectable adventure, woven with pure, nourishing and beautiful ingredients from land and sea. Our culinary experts have created this Valentine's Menu with extra love to make your celebration even more memorable.

Adopt a Turtle

Celebrate your love by adopting a turtle through our rehabilitation programme, run by the Olive Ridley Project. Adoptive parents receive a certificate, fact sheet and monthly updates about their turtle.
