

# JOALI BEING

*"Nothing is ever lost or destroyed.  
Everything is endlessly transformed — over years,  
centuries, millennia."*

On our Island of Wellbeing & Wonder,  
sustainability is a way of life.

We know there is no such thing as "away" — when something is thrown away, it has to go somewhere. This is where the power of recycling comes in, allowing us to breathe new life into old, forgotten things.

Celebrate Global Recycling Day with a special ocean-themed activity at JOALI BEING.

## Ghost Net Bracelet Making

*“Ghost nets” are fishing nets that have been lost or discarded at sea, posing a lethal threat to marine life and coral reefs.*

At this innovative workshop, we create handmade bracelets using ghost nets recovered from the Indian Ocean by the Olive Ridley Project, our partner in turtle rescue and rehabilitation.

You will also have the chance to learn more about the Olive Ridley Project and their incredible efforts to protect sea turtles and their natural habitats.

This interactive session is co-hosted by our Resident Artist and Marine Biologist.

4 pm to 5 pm

**Okyanus**

Complimentary
